I think the Deb email to Joe and Avi would just need to say something along the lines of:

Ex. 5 Deliberative Process (DP)

Thoughts?

I have a call with my RA, Deb Thomas, in 20 minutes to discuss follow-up from the UT inland port project meeting with the concerned NGOs and after that I will let you know how Deb plans to follow-up with Joe (and Avi Garbow).

We will keep OAQPS updated as some of the concerned NGOs have issues that fall into the SIP realm – Salt Lake City PM2.5 redesignation and 179B for O3. We will also keep OTAQ updated as well. I have discussed the UT port project with Karl Simon.

Carl, Joe has a meeting on the calendar for Tuesday on the Utah Inland Port. This appears to be a follow-up from a stakeholder meeting he had been invited to by the Acting RA in late February. I'm wondering if you could send me some background on this and help clarify for me what the region might need from Joe on this.

I'm copying Mike on this as I think attainment may be, at least partially, at play here, and for OAQPS to weigh in as well. Please correct me if I have it wrong. Thanks to you both. Have a nice weekend.
